

To our Valued Customers:

As we continue to monitor Coronavirus (COVID-19) developments closely, the safety, health, and well-being of our customers, team members, and communities we serve are of the utmost importance to me, my parents and our Norris Sales team. As a critical partner to your business, we are taking proactive measures while continuing to serve you.

Our management team is providing daily updates and CDC reminders on protecting our team and customers to reduce the risk of infection by requiring social distancing, frequent 20-second hand washing, using hand sanitizer and washing down common surfaces throughout the day. Our team has been advised that if anyone feels ill or a family member has a fever, they are to stay home.

With safety at the forefront, our team remains focused on getting you the equipment you need when and where you need it. We are open in both locations and ready to serve your current and future rental and sales needs.

Please call us at either location:

1. PA call 610-279-5777 ext. 1
2. NJ 856-740-1400 ext. 1

If you have any questions, please email us at info@norrissales.com.

Our thoughts are with those who are impacted by the coronavirus. We'll continue to monitor the situation and take additional measures as needed to best support our customers. Thank you for your partnership and for choosing Norris Sales.

Sincerely,

Karen Zajick,
President
